### Education & Experience

Mr. Altunkaya brings close to 15 years of Professional expertise to Data Expert. Since 2001, he has been working at Data Expert having Consultant, Senior Consultant, Business Development Manager and Partner positions respectively. Mr. Altunkaya specializes in searches at management levels, executive and non-executive board member positions.

Mr. Altunkaya, however acting as a generalist specifically focuses in Technology, Consumer and Industry practices within Data Expert. He has significant search experience in Executive and Management positions. Over the years not only assessing more than 3000 candidates while placing more than 100 executives for major clients mainly ranking in Global1000, he additionally conducted several searches across the world especially in the EMEA region. Mr. Altunkaya, continues to add value to clients ranging from start-ups to multinationals by injecting intra-entrepreneurship into organizations.

Despite his career in executive search, Yasin led several merger and acquisition projects for multinationals. Combining his entrepreneurial personality with his deep knowledge on leadership subjects, he also provided consultancy to various companies enabling their market entrance to Turkey and surrounding countries.

In adjunction with his knowledge on leadership subjects and company structures, he provides board level management consultancy to companies to appoint non-executive board members, structuring the boards, corporate governance subjects, organizational transformation and building up the company strategy.

Additionally Yasin devotes his efforts to improve entrepreneurship and governance within Turkish Business community as a social responsibility to parallel his position within Data Expert. Yasin holds an MA degree from Bahcesehir University in Marketing, BA degree from Istanbul University in the major of Business Administration. Additionally he studied at Brighton University about Psychology to gain knowledge about Human Psychology. Yasin is in fluent in English with a basic understanding of German.
